**EG Electronics is a distributor with import and sale of various products and components. We have many suppliers and manufacturers spread all over the world with emphasis on Europe.**

*If you need a REACH or RoHS compliance statement referring to an item supplied to your by EG Electronics; please contact your responsible salesperson or [order@egelectronics.com](mailto:order@egelectronics.com).*

#### **REACH – Regulations, Evaluation and Authorization of Chemicals**

Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) is a European Union regulation dating from 18 December 2006. REACH addresses the production and use of chemical substances, and their potential impacts on both human health and the environment.

All manufacturers that import or sell goods and chemical products in the EU/EEA need to follow the rules that applies to their business.

EG Electronics cannot qualify as a manufacturer/importer of substances according to the REACH regulation and is therefore not obliged to complete registration or pre-registration.

EG Electronics performs activities necessary to fulfil our obligations in the supply chain.

#### **RoHS - Restriction of Hazardous Substances**

RoHS directive (2011/65/EU) aims to reduce risks to human health and the environment by replacing and limiting hazardous chemical substances in electrical and electronic equipment. The directive shall also improve the possibility of profitable and sustainable material recycling from waste from such equipment.

EG Electronics wants to limit the use of these substances and therefore contribute to protect the environment.

#### **EG Electronics Product responsibility**

All items we distribute are REACH and RoHS approved and no items from conflicted areas. All manufacturers that import or sell goods and chemical products in the EU/EEA need to follow the rules that applies to their business.

We are committed to conducting our worldwide business operations in a manner that complies with applicable conflict minerals laws and regulations.
